Villa O, French Riviera

Home Details

Perched on the hillside of Saint-Jean-Cap-Ferrat, the contemporary Villa O offers unrivalled views of the Mediterranean Sea and Cap-Ferrat harbour. The striking design capitalises on the property's location, with floor-to-ceiling windows flooding the interior with natural light and offering sea views from almost every room. A glass elevator seamlessly connects the five floors, all the way up to the superb rooftop terrace and hot tub. Pathways weave down through the landscaped garden to the larger swimming pool, which sits at the edge of the property and overlooks the sea below. Recently renovated, Villa O's interior features immaculate modern design throughout the expansive living areas and its four ensuite bedrooms. One additional en-suite bedroom offers additional staff accommodation on the lower floor.
