EXPERT'S VIEW

"HARUN is a 38-meter luxury motor yacht offering an unparalleled experience with five spacious cabins and two Jacuzzis—an exceptional feature in its class for this cruising area. The yacht's experienced crew, led by a captain who has been on board since its construction, ensures seamless service. Designed for elegance and comfort, HARUN provides multiple dining options: the aft deck, front deck, flybridge dining area, and salon. For an intimate evening, a private table for two can be set up on the swim platform. The master suite, located on the main deck, offers refined luxury, while the VIP and additional suites on the lower deck provide serene comfort. The yacht is equipped with a state-of-the-art entertainment system and an advanced air-conditioning system for ultimate relaxation. Onboard, two Jacuzzis enhance the experience. The flybridge Jacuzzi, with a 2.4m diameter and hydro massage jets, is perfect for unwinding under the stars. HARUN is more than a yacht—it's an experience of sophistication, tranquility, and unmatched luxury at sea."
