## COMMENTS and NOTEWORTHY FEATURES AT A GLANCE

Introducing this stunning 2007 Hatteras 64 Motor Yacht, a remarkable WEST COAST VESSEL SINCE NEW that embodies luxury and performance. Powered by twin Caterpillar C30 diesel engines, each delivering an impressive 1550 horsepower, she boasts a cruising speed of 26 knots and a top speed of 31 knots. While the speed and power are there when you need it, current CAT ECM reports show 50% of run hours are between 500 & 800 RPM since new.

Accommodations include an impressive three cabin/three head layout hard to find in a 64' MY; this yacht provides ample space for relaxation and comfort. The thoughtful design ensures that every journey is enjoyable, whether you're entertaining guests or enjoying a peaceful retreat. UNA VIDA is a perfect blend of sophistication and performance, ready to create unforgettable memories on the open sea.
